

MEDICAL OFFICE ADMINISTRATION *

ASSOCIATE OF SCIENCE

Quarter Credit Hours Required = 96

Medical office administration is a vital part of the healthcare industry. Careers can be found in medical offices, clinics, and outpatient and inpatient hospital settings and includes greeting and assisting patients on the phone and in the office, scheduling appointments, creating and maintaining patient records, transcribing physicians' diagnostic comments and orders, billing insurance providers and patients, collecting and recording payments, and inputting data into computerized record systems.

This program is designed to prepare graduates to be administrative assistants within a medical environment where front office employees handle business and customer service functions. Insurance procedures are included in the training. In order to gain experience, all students must complete a supervised externship. Externship sites include physicians' offices, clinics, hospitals, or other healthcare facilities.

Upon successful completion of this program, students should be able to

- demonstrate knowledge of essential medical terminology and office procedures, along with good customer service skills as required in the administrative portion of a medical facility;
- function successfully in a healthcare setting by providing patient scheduling, greeting, and record keeping, as well as other administrative tasks in a medical setting;
- transcribe physicians' diagnostic comments and orders;
- use computer technology and administrative skills in a healthcare environment;
- create and maintain both electronic and paper patient files; and
- coordinate a successful job search.

FOUNDATION:		Quarter Credit Hours
EDU 1010	Learning Framework	4
EDU 1020	Career Exploration/Planning	4
Total Minimum Required Foundation Credits		8

AREA OF CONCENTRATION:		
AOM 1010	Keyboarding.....	4
